

INQUIRY INTO GREYHOUND RACING IN NSW

To whom it may concern,

I would like to bring to your attention a matter that concerns me as a hobby greyhound trainer. In 1990,s a 99 year agreement was signed with the NSW greyhound board for a percentage of TAB earnings to go back into the greyhound industry that percentage is approx. 13% . I feel this needs to be adjusted the prize money is going down and the costs of keeping a greyhound has increased. The way the industry is going with no young trainers replacing the older ones that go the industry is quickly dying. I would appreciate it if you can look into it.
