INQUIRY INTO GREYHOUND RACING IN NSW

Name: Leanne Uren

Date received: 6/11/2013

Subject: We must observe humanity!

Dear Director,

As with any industry that has fiscal returns, corruption, mistreatment and illegal activities is bound to occur. When it extends to the treatment of animals then we can not choose to turn a blind eye to it. There needs to be thorough investigation and legislation to prevent the inhumane treatment of man's best friends.

Sincerely,

Leanne Uren
