

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Anna O'Rourke

Date received: 12/02/2013

We celebrated our wedding, 30/9/12 with family and friends in Tasmania. It was the most amazing day surrounded by the ones we love.

In our eyes and the eyes of our friends & family this was a real wedding filled with love & commitment. It is such a shame in this day and age our Government doesn't recognise the same love & commitment.

It is not not only the legality it's the emotional side of not being recognised by our Government.

We have included some pictures of our day to highlight the happiness everyone shared.

Thanks,

Anna & Dani
