## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Catherine Emerton

---

I don't support the dog killing industry of greyhound racing.

Greyhounds are killed in large numbers, die and injured from racing, drugged, given to universities, used for blooding, sent to Asian countries with no animal welfare laws.

Live baiting, shooting still occur and cruel techniques are used to train. To breed sentient beings so we can race bet on them and kill them is barbaric in a civilized society.

Money is no reason to breed, torture and murder thousands of animals.

Cattle bred for meat are treated better than these poor companion animals.

You can bet that if Labradors, Pomeranians or any other dog breed were used, this practice would have been stopped years ago.

Stop thinking with your wallet. Stop being cruel.

People in the industry can be retrained and find new jobs
