

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

To ALL NSW State MP's,

I wish to express my concerns regarding the redefinition of marriage. I do NOT believe that same sex marriages should be allowed, as this undermines the values of heterosexual couples in marriage.

Marriage is between a man & a woman & has been for thousands of years. It also infringes upon my personal religious beliefs & also opens the door to churches being sued for discrimination for not wanting to conduct gay marriages on their premises because it is literally, against their long held beliefs. The word 'Gay' has already been redefined to mean something other than the innocent meaning it once had, please don't let the same thing happen to 'Marriage'.

Please don't give into the minorities on this very important matter.

Thank You

Very Concerned NSW Voter
