

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr C Haddad

Date received: 12/02/2013

Same sex marriage is invalid and unconstitutional.

Hi,

Marriage is a federal issue, and not a state issue under Australia's Constitution – so a NSW bill relating to marriage or “same sex marriage” would be invalid and unconstitutional. However, parenting require a Mothers and Father, and children need both approaches in order to develop designed purpose . That is why marriage should remain a union of a man and a woman.

Thank you!
