

**INQUIRY INTO PERFORMANCE OF THE NSW  
ENVIRONMENT PROTECTION AUTHORITY**

**Name:** Name suppressed

**Date received:** 17/08/2014

---

Partially Confidential

I am concerned for myself and my family, especially my two young boys, about what impact the diesel emissions from the cruise ships may have on our current and future health. We live around the corner from the cruise terminal, my children go to Balmain Public, we bike/walk/scooter daily. We breathe only this air. With no strong regulations in place, how can we possibly be protected?
