

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

Hands off marriage!

It is and must remain a sacred institution between one man and one woman - for their own benefit, for the optimum nurturing of their children, and for society in general.

Homosexuals & lesbians have equal rights with heterosexuals - they can marry a member of the opposite gender!

There is no absolute equal right to marry - I cannot marry my sibling, or offspring.
