INQUIRY INTO GREYHOUND RACING IN NSW

Name: Mr Darren Curby

Date received: 29/10/2013

To Legislative Council Select Committee on Greyhound Racing in NSW

DATE 29/10/13

Submission Heading: Caring of Greyhounds

I Darren Curby Would like to state that all Greyhounds that I have owned have always be allowed to live out there life's on my parents property at Northmead.

All our Greyhounds weather they won or lost always received an warm sausage or a ice cream cone as a reward for there effort.

Once they have finished racing they are allowed to Rome around our yard and are put on a walking machine twice a week for ten minutes just to keep them fit.
