**INQUIRY INTO PLANNING PROCESS IN NEWCASTLE
AND THE BROADER HUNTER REGION**

Name: Ms Helen Johnson

Date received: 27/10/2014

The Chairman,
Upper House enquiry.

Dear Sir,

As a resident of Newcastle for 82 years, it alarms me that part of King Edward park is designated to be alienated from the public.

Since revelations in the recent ICAC investigation, I beg that this matter be investigated by the forthcoming Parliamentary Enquiry.

Yours sincerely, Helen Johnson.
