Macquarie St

LEGISLATIVE
COUNCIL

Sydney NSW 2000

Dear Sir,

People of NSW cannot cut down a tree, spray or carry out their business whether farming or developing on whatever without strict environmental control yet the mining companies carry on regardless I can't believe it's happening! They are a nightmare! They cannot be allowed to carry on and destroy our beautiful countryside. The money is just not worth it.

NO C.S.G.

yours Sincerely
