## **INQUIRY INTO GREYHOUND RACING IN NSW**

Dear Director,

We and I mean ALL Humans are these animals voices so ALL of us MUST speak up for these beautiful but forgotten animals...the Greyhound.

It's™ time that the governing body for ALL Greyhounds, acts on the Greyhounds behalf to make their life worthy of living, instead of leaving them to be harmed by their owners/trainers hands.

Time is of the essence to make it RIGHT for the Greyhound once and for all.

Where is your "Duty of Care" for the Greyhound I ask?

Where and when does "Animal Abuse and Cruelty" be recognised with the Greyhounds?

It's™ time to do the right thing and put new laws in place to protect the Greyhounds.

It's™ time to punish the abusers.

The wrong end of the leash is being punished. Get it right and NOW and be the voice for the Greyhound !!!!! Speak up !!!!

Sincerely,

Penny Anderson
