

**INQUIRY INTO VOCATIONAL EDUCATION AND
TRAINING IN NEW SOUTH WALES**

Name: Ms Anna Timbrell

Date received: 26/06/2015

Investment in education is fundamental to a civilised progressive society.

Gutting it equates to a dumbing down.

If there are not enough funds going around, then perhaps consider pressuring the federal government to introducing a mining tax to ensure essential services - including health, public transport and education - are provided.
