Subject: Inquiry into Pacific Highway Upgrades

Thank you for acknowledging receipt of NOROC's submission to the Legislative Council's Inquiry into Pacific Highway upgrades.

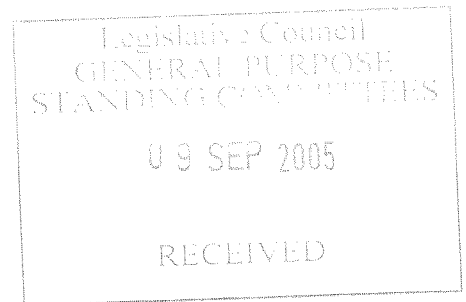

At our NOROC meeting held last Friday, the Ballina bypass was raised by members as being important for inclusion, it would be appreciated if this could be noted.

NOROC is comfortable with the publishing of its submission if this will assist the work of the inquiry.

We look forward to receiving the final report.

Regards

Sandra Vincent
