

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mrs Marianne Reynolds

**Date received:** 6/02/2013

---

I would like to petition against same sex marriage as marriage should be a union between a man and a woman.

As I read in several dictionaries the word *marriage* means a union between a man and a woman. So therefor how can two men or two women marry?

A child should have a mother and a father as both genders play an important role in the rearing of a child.
