THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Mr Erwin Tischler

Date received: 22/09/2008

Attention: The General Purpose Standing Committee - N-W Rail Link

I wish to express my concern at the possibility of the NSW State Government scrapping the North-West Rail link.

I believe that Marsden Park - Riverstone region on the north-west fringe of the Hills area is already positively committed to the building of up to **60,000 houses** within the next 10-years. Logically, that means a further influx of up to 120,000 extra cars on our **local** roads. Under the circumstances, scrapping the N-W rail link would be total insanity. Please reconsider.

Regards,

Erwin Tischler
