INQUIRY INTO USE OF CANNABIS FOR MEDICAL PURPOSES

Name: Name suppressed
Date received: 15/02/2013

Partially Confidential

NSW is the first state. So let's be the first to show the rest we look after our people (instead of tarnishing us as criminals). Cannabis saved my life. It helps me endure the daily pain that I suffer (and I'm 100% positive that my children are happy that I'm still here).
