INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Roy Bridges

Date received: 8/02/2013

same sex is forbidden in the Bible, and as a Christian I am appalled that our state government would even consider it. Surely our laws are based on the Bible, and as such it is condemned to be involved in a homosexual act. As a Christian I love these people as Jesus did, but it is not an option to even think about same sex marriage, and I pray that we will see the opposition so strong that it will not even be considered
