

INQUIRY INTO GREYHOUND RACING IN NSW

Name: Miss Tennille Hui

Date received: 5/11/2013

Dear Director,

I cannot express enough, my concern about the cruelty whims greyhound racing.

Why do know so little about the dog's conditions behind the race? Because there is clearly something the racing industry does not want us to see.

Something malicious, shocking and unmistakably cruel to these gentle dogs.

Please do what is right and stop the cruel treatment of these sentient horses. Being bludgeoned to death is just plain wrong.

Sincerely,

Tennille Hui
