**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed

Date received: 27/02/2009

Partially Confidential

Having Been at Parklea for 20 years I-am really concerned with how I am going to accept the change both mentally and physically. I feel I have been a loyal Public servant and was hoping to finish my career at Parklea but now because of this Privatisation I feel cheated by the Dept. DCS seem to think that what they are offering is fair and reasonable although every other Officer that I have spoken with firmly agree otherwise. It all seems like there is a hidden agenda with only Cessnock and Parklea being considered.
