

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr John Cochrane

Date received: 15/02/2013

The union of marriage between a man and a woman was instituted by God and preordained before the foundation of the world, therefore what God has joined together let no man put assunder. Do no! and I repeat this, do not mess with the will and purposes of God. It is not within the right of mankind to alter what God has set in order. Hebrews 10 : 31 It is a fearful thing to fall into the hands of the living God. Revelation 22 : 19 If any man takes away from the prophecy of the word of God, God shall take away his part out of the book of life. The wicked shall be turned into hell, with all nations and people that forget God.
