INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Kirsty Moroney

Date received: 5/11/2013

Dear Director,

I am glad an enquiry has been opened upon the matter of Greyhound racing.

I like many others are against Greyhound racing as it is an absolutely cruel barbaric form of entertainment at the expense of animals who feel pain just like we do.

I hope one day that humans who allow and take part in this disgrace will move beyond such cruelty. Please help in doing so.

Sincerely,
Kirsty Moroney
