

## INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

**Name:** Name suppressed

**Date received:** 15/02/2013

---

Partially Confidential

It is time to make a stand for what has been held as being the family unit - a mother and father in a marriage relationship having children who then have a proper identity in a family unit.

To give into a minority voice does not always mean good laws that will cater for the greater good of the community.

Becareful that you do what is right not what is expedient for votes.
