SUBMISSION OF CONCERN REGARDING DONATIONS TO POLITICAL
PARTIESWHICH MAY RESULT IN FAVOURS BEING GIVEN TO CORPORATE
DONORS

AT THE EXPENSE OF

PUBLIC INTERESTS AND

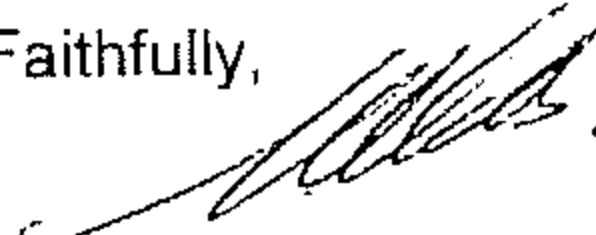

THE PUBLIC VOICE BEING HEARD.

I am concerned that many decisions which have been made by our Government in favour of large corporations MAY be linked to so called donations to political parties for undemocratic favours which ARE impacting on our democratic rights and quality of life within NSW.

Governments should not be able to give favours in return for political donations AT ANY TIME. Governments are elected to act in the best interest of the public who have entrusted them to serve the PUBLIC INTEREST.

This type of action is an immanent threat to the fabric of our democratic society.

Yours Faithfully,

Naida Wills
