To Whom It May Concern;

I would like to make a submission on behalf of all of the greyhounds who have been doped, killed & mistreated because they didn't run fast enough for the mere entertainment of humans.

The way that these dogs are treated is barbaric and so unnecessary. I find it disturbing that the world is letting any type of animal cruelty be carried out. There needs to be tougher penalties and jail time for animal cruelty.

I speak for those who cannot speak for themselves. Though they cannot speak we know they definitely can feel. We need to respect them & make changes.
