**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Organisation:

Name: Mrs Patricia Kelly

Telephone:

Date received: 25/02/2009

I wish to register my objection to prisons being run for profit. I believe that the prisons system should stay in the public sector. I am concerned for the welfare of the inmates whose lives will be at the whim of profit margins and I am concerned for the staff who will face job losses and an erosion of their wages and conditions.
