**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Ms Kelly King

Date received: 2/08/2012

Dear Robert,

Currently I ride in the Scheyville National Park at Maraylya NSW.

This has given me great pleasure over the years and I would love to see the area better managed in the following ways.

Different tracks mown to prevent erosion.

Access to different area of the park through well managed paths.

Also a note to those who have issue with horses taking weeds in via manure, the weeds that are evident are not weeds that horses eat so can not be held responsible for their movement in the parks.

Kind regards

Kelly King
