## **INQUIRY INTO EDUCATION AMENDMENT (ETHICS CLASSES REPEAL) BILL 2011**

**Name:** Ms Frances Amaroux Amaroux

Please do not repeal the Education Act (Ethics) 2010.

Ethics education is essential for our children in a world where greed is good, and abstinence sex education undermines our teenagers capacity to make informed decisions for themselves.

Ethics, not religion is the basis for all Civil Societies and should be the basis for all education.
