**INQUIRY INTO SOCIAL, PUBLIC AND AFFORDABLE
HOUSING**

Name: Mr Robert Hart

Date received: 2/03/2014

I don't think it is at all fair that housing tenants be forced to outer areas of where they have been originally been living because you want to start building infrastructure to house people who will supply you more revenue.

Furthermore, I don't deem it fair to be selecting 200 people based on certainties that exclude others of the housing people in your new apartments.
