## INQUIRY INTO GREYHOUND RACING IN NSW

**Name:** Name suppressed

**Date received:** 21/10/2013

---

Partially Confidential

I'm against dogs raising but if this "sport" must function let some professionals, real dogs lovers / not pseudo lovers of animals - check this animals before raise for any doping chemicals in they blood. Keep eye on birth new puppy,etc,etc.

Be are HUMAN not are animal abuser and monster !
