**RE: Submission to Select Committee**

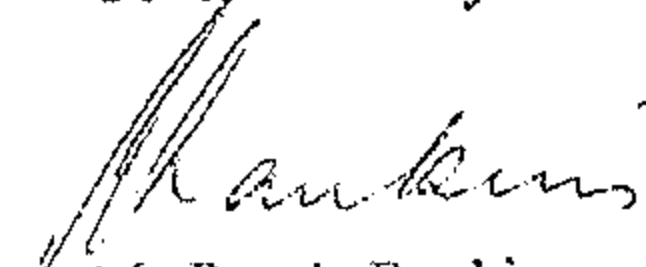

In our Democratic society, individuals, businesses and companies, etc should be allowed to give as much as they want to and as often as they want to.

Each donation should be declared publicly by the political party or independent person receiving it, stating the amount, the date, the person, business or company, etc making the donation.

The declaration should be made within 24 hours of the donation being made.

Donations can then be free and fair to all and publicly declared in full detail immediately to prevent any conflict of interest or hidden agendas.

Yours faithfully

Ms Ronda Rankins
