INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Doreen Gowman

Date received: 7/02/2013

I strongly oppose the recommendation of a bill being passed in Parliament allowing same sex marriage. The bible makes it very plain that marriage is between a man and woman for the purpose of providing a loving family in which to bring up children that they had created which is not possible from two people of the same sex. Please take notice of the true meaning of marriage.
