To whom it may concern

I have been in greyhound racing for 40 odd years as a trainer for 34 years. I have brought this problem up with GRNSW on many occasions the problem at the moment is these dogs are breed to race but if they are not fast enough we cant find races for them!! In years gone past if a dog wasn't fast enough for TAB races we sent them out to places like Young Cowra Forbes Mudgee Mossvale ect. but these tracks are closing or only racing once a month and the people out at these places no longer wont them as there is no races for them ! A dog that has limited ability should not be victimised!! As a race with 8 slower dogs is still a race someone has to win?

I know that we are in financial hard times but we are earning more money then we are been giving through TAB money !! this money could go to country racing GIVE the older / slower dogs a chance to race THAT'S WHAT THEY WERE BREED FOR thanks for taking the time to listen
