Summary

Hi,

I would like to be there on May the 1st but unfortunately I will be touring down in Tasmania. I also am concerned that there is still too much smoke in many venues I sing in. In one case I was actually situated to play in the smoking section! It also bothers me that there is this supposed loophole in 2007. Although I can't be there on may 1st let me know if there is anything else I can do to help ie write letter etc.

sincerely Tony Williams
