**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Mr Campbell Dixon

**Date received:** 24/02/2009

---

Mr Woodham has stated that Prison Officers are rotting the overtime so why when the Prison Officers put overtime bans on did Mr Woodham order the bans lifted in the Industrial Relations Commission. There is a multi story building built at multi million dollar expense why is the bottom floor empty. There are too many superintendents (\$150000 pa) for the system that is in place. The cost involved in moving Officers that has been displaced is great, these costs include packing, moving, detached duty to move, legal fees involved plus more expenses and fees. The inmate population has grown over the years but the staff numbers have not.
