## **INQUIRY INTO EDUCATION AMENDMENT (ETHICS CLASSES REPEAL) BILL 2011**

**Name:** Ms Deborah Lilly

**Date received:** 23/02/2012

---

Please do not repeal the Education Act (Ethics) 2010

I have been teaching Ethics last term and this term - the children love it and its so wonderful to see them having a dialogue about things that matter - holding an opinion, differing and building on each others' ideas.

We need our next generation to be able to think for themselves and to be able to say what they think.

Thank you for your attention!.

Regards

Deborah Lilly
