

INQUIRY INTO GREYHOUND RACING IN NSW

To whom it may concern,

I would like to voice my concern about the amount of grey hounds being killed in the sport of grey hound racing. The numbers of deaths from statistics are appalling. There needs to be stronger laws in place that can prevent these beautiful animals being put to death for reasons that should not be allowed. If this sport wishes to be continued in this day and age it should be cruelty free. These animals were not meant for humans selfish ways and deserve a better life. Please consider my points and all others that has voiced their concern.

Regards,
Bethany Singline
