

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mr Michael Adams

**Date received:** 15/02/2013

---

If marriage were to be redefined to include same sex couples, I would be placed in a difficult position. I could not in good conscience acknowledge any such relationship as "marriage", but might be required to do so by law. Please do not pass any law that I would feel morally obliged to disobey.
