INQUIRY INTO GREYHOUND RACING IN NSW

Name: Name suppressed

Date received: 6/11/2013

Partially Confidential

Dear Sir/Madam,

I don't support the dog killing industry of greyhounds racing. Greyhounds are killed in large numbers, die, and injured from racing drugged, given to universities, use for breeding sent to Asian countries with no animal welfare laws. Live baiting, shooting still occur and cruel techniques are used to train. To breed sentient beings so we can race them, bet on them and kill them is barbaric in a civilised society. I hope you will seriously look into these issues and the welfare of these beautiful animals will improve.

Your Sincerely
