## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Mrs Lyn Crandon

**Date received:** 17/10/2013

---

I am concerned about the lack of animal welfare standards in this industry. There is an unacceptably high level of "wastage" and no one seems to be looking out for the well being of the dogs. Unwanted dogs are frequently shot or bashed over the head, this is in no way acceptable and falls far short of public expectations. This "sport" belongs in the past.
