## INQUIRY INTO GREYHOUND RACING IN NSW

Partially Confidential

I wish to express my horror and outrage at the treatment of greyhounds in the racing industry. I want changes made in how this industry is monitored and held account to the animals they use and then discard in this industry.

The ABC has taken the first step toward stopping the practice of abuse and killing of these innocent animals, now it is up to our government to step in and stop this abuse completely.

What steps will the government take to hold this industry accountable? Can you respond to my query please?

Sincerely
