## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Nikki Bennett

**Date received:** 5/11/2013

---

Dear Sir / Madam ,

You have the power to force change in this disgraceful and brutal industry, so is there really a choice ?

Clearly the people involved in the cruelty are the very worst kind of humans with no respect for life , so they must not be given the opportunity to continue what they are doing .  
Industry reform is way overdue and no longer an option.

Please do what you must know in your heart is right.

Sincerely,

Nikki Bennett
