Subject: treat others as you would yourself

Dear Director,

To Whom It May Concern,

For those who can't speak for themselves.... just a most gentle gentle reminder, to treat others as you would have others treat you.

Perhaps there are better ways of doing things, which is a win win for all; which sadly is not what is happening now with the greyhounds (and other sport).

My heart is crying for these beings we share our life with.... please tell me how I can help you help them.

Warmest Regards,
Liz Lecoanet
