INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Greg Kean

Date received: 9/02/2013

God has clearly set down that marriage is restricted to one man and one woman for life - Bible states this. Sadly marriage of this type has broken down many times for centuries but this does not mean that we have any liberty to come up with alternative versions of marriage. At an extreme end marriage is considered "acceptable" between a human and an animal or marriage among a group of individuals. We will do well to follow God's original design for marriage - one man and one woman for life.
