## INQUIRY INTO GREYHOUND RACING IN NSW

**Name:** Name suppressed

**Date received:** 6/11/2013

---

Partially Confidential

I think I'm out of time so I'll make it short.

Please stop the abuse and strain put on these animals!

At the very least, please fight for the rights of these innocent dogs.  
For them to not be mistreated and disposed of after they no longer suit the needs of people who want a fix.

I hear about this stuff all the time and it sickens me!
