

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mr William Crowley

**Date received:** 15/02/2013

---

For those who believe in God there is no doubt in their mind that he created man and woman to propagate the human race. There is no alternative to this. Any suggestion to change indicates an incomplete understanding of the purpose of creation. May God guide al those who have a vote to adhere to His law.
