INQUIRY INTO ELECTORAL AND POLITICAL PARTY FUNDING

Organisation:

Name: Ms Elaine Dabbs

We want a donor-free society – not “dirty” money.

Past performance or promises during the lead up to elections should be only about factual statements otherwise a new election should ensue.

Private donations should be rejected by politicians thus removing perceived conflicts of interest.

The election of those who advertise best rather than those who can govern best follows donor-funded advertising thus corrupting the election process.
