**INQUIRY INTO EDUCATION AMENDMENT (ETHICS
CLASSES REPEAL) BILL 2011**

SUBMISSION - Supporting Rev. Fred Nile proposal for INQUIRY into ETHICS COURSE

My Submission OPPOSES The "Ethics Course" and is calling for the cancellation of the ALP/Greens Bill which established the Ethics Course's in N.S.W. SCHOOLS. This is because.

- 1 Our nation was founded on Christian values, and this course is atheistic - does not mention GOD, JESUS CHRIST or the BIBLE
- 2 The course does not teach students what is right or wrong.
- 3 The course promotes secular humanism and situation ethics relativism, that nothing is right or wrong, that there are no absolutes, that what you choose to do such as lie steal, bash etc. depends on the circumstance at the time
- 4 The course will finally produce a generation of militant atheists who will oppose Christianity, the 10 Commandments and the Judeo-Christian Ethic.
- 5 The course will divide Australian Children and ~~course~~ cause growing friction & conflict.
- 6 The course will leave the children completely confused at the very sensitive period of their mental development.
7. We do not wish to force children to attend Scripture Classes (S.R.E) but they should be given this positive option so they understand this important

aspect of our Australian culture.

8 we support alternative learning activity for children whose parents have withdrawn their children from Scripture Classes (S.R.E), activities such as educational videos, reading text books etc

Yours Truly
(Mrs) P.M HUNT
