**INQUIRY INTO REMOVING OR REDUCING STATION  
ACCESS FEES AT SYDNEY AIRPORT**

Reducing station access fees at Sydney Airport.  
Maybe we should remove some of the surcharge  
\$12.30 to say \$6.15 being 50% of current surcharge.  
The capital cost of the rail line has now been recovered.  
Anything to encourage the shift from road to rail  
Is a plus , lower congestion on the roads around the airport  
At both terminals .  
Fares to domestic and international airport stations should really be  
Set on the same basis as the rest of CityRail network.  
Thank you for your time.
