## THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Mr Mark Hornshaw

Date received: 22/09/2008

---

Dear Committee members,

The Northwest area of Sydney, including Castle Hill, Norwest business park and Rouse Hill need heavy rail infrastructure to connect them to the Sydney CBD and other business hubs such as Parramatta and North Ryde.

The so-called North West Metro idea really had very little to do with the North West. A metro is ideal for inner suburbs, and would have helped relieve congestion there. But outer suburbs need limited stops heavy rail in order for it to be of benefit to working commuters.

Sincerely,

Mark Hornshaw
